Roll · Write · Tell

## Roll • Write • Tell

**Cut, fold and glue each of the six dice.**

**Decide how many dice you will use for your story.**

### **Individual play:**

- Roll 2,3,4,5 or 6 dice.
  - Look at the images that landed face-up. Mark these images at the top of your writing paper.
- Using these images, let your imagination run wild and write an amazing story!**

### **Team play:**

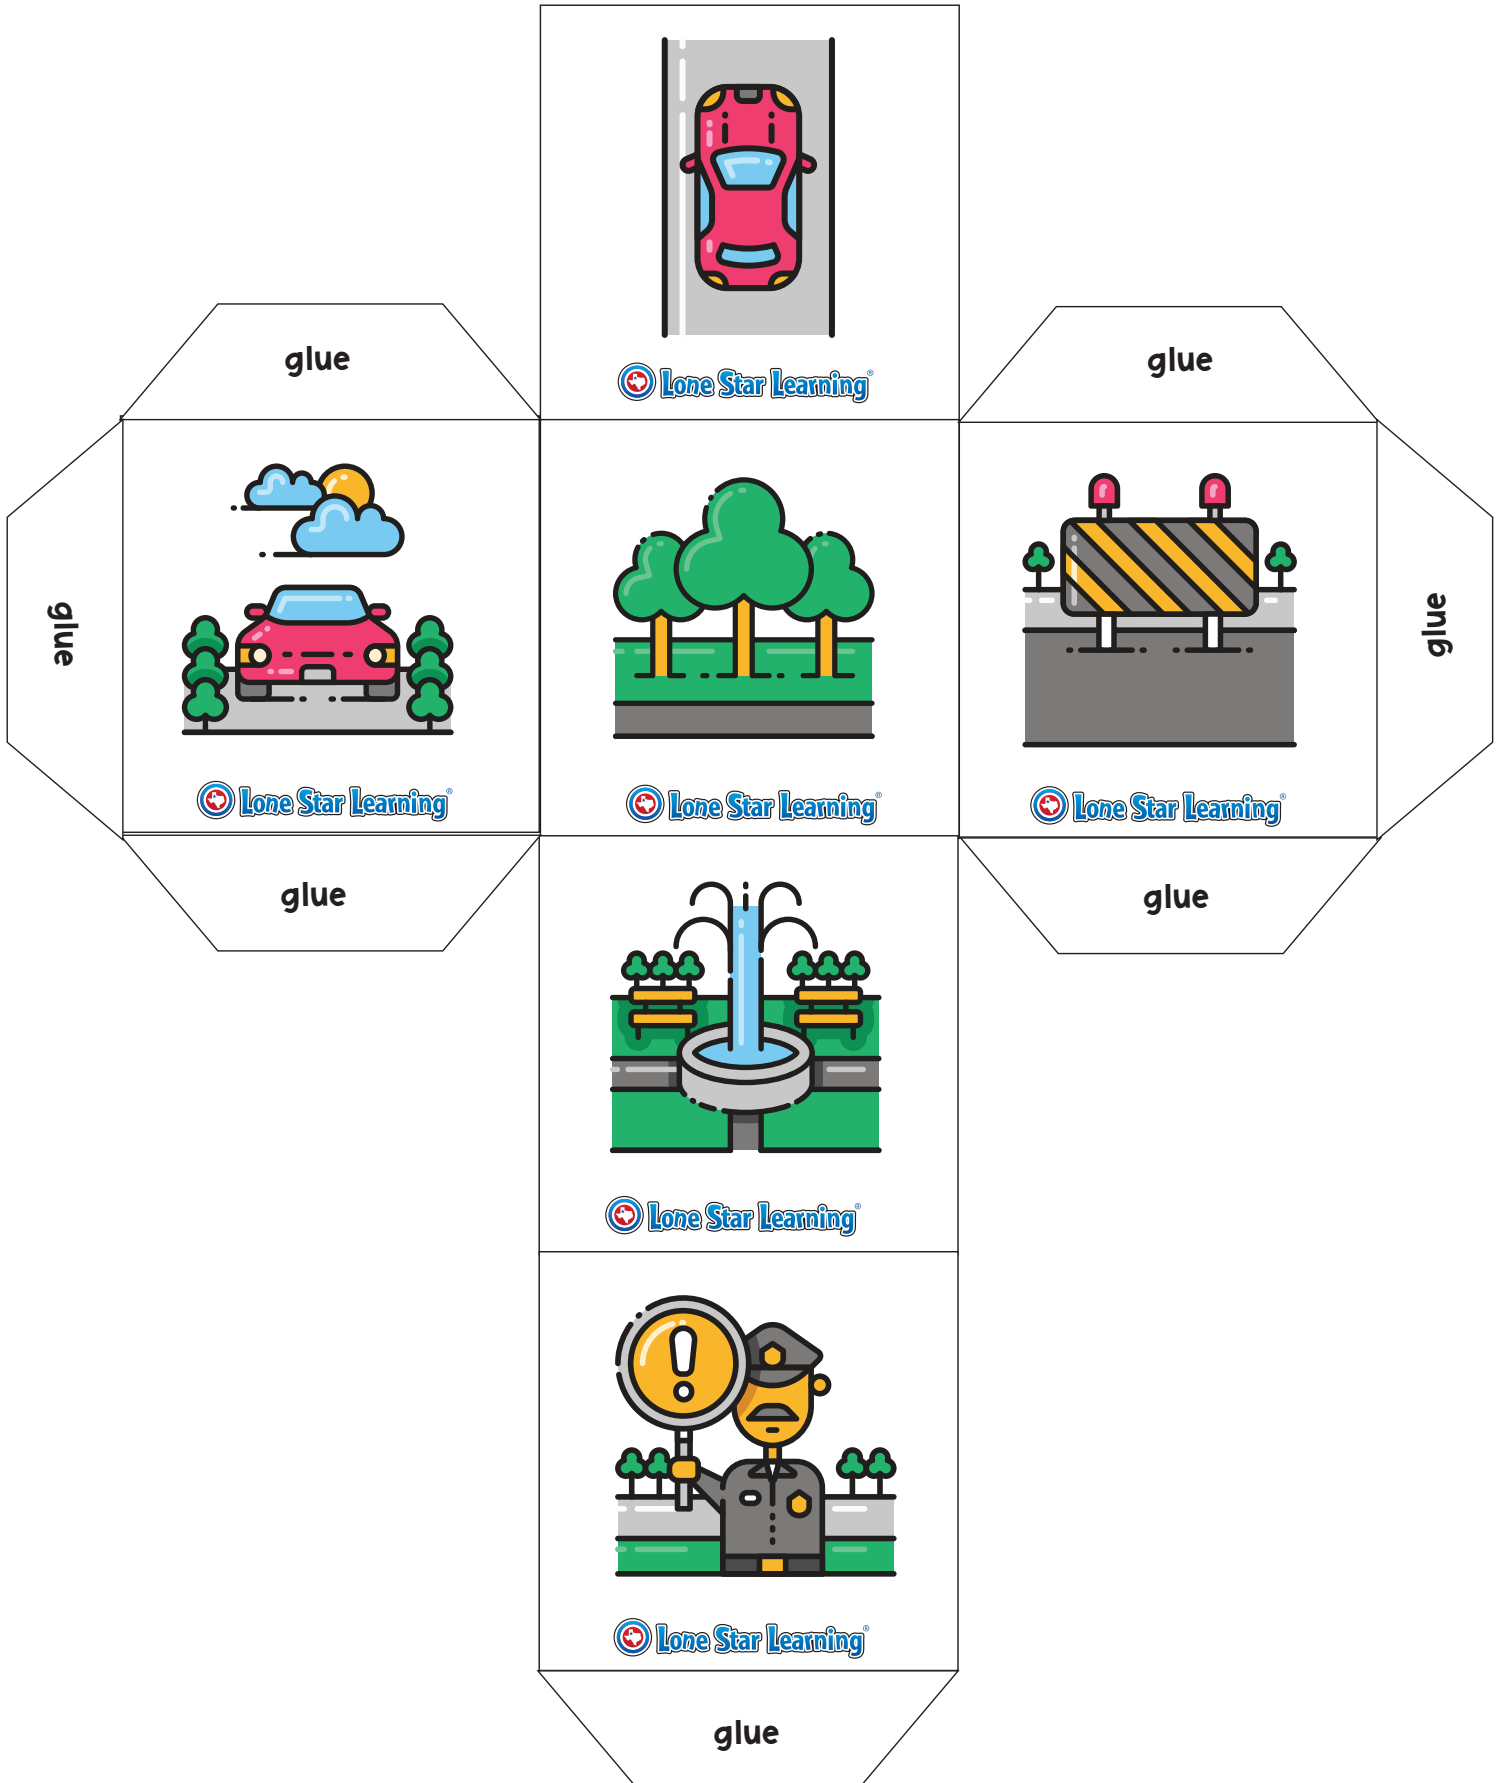

- Player 1 chooses 2 dice and rolls.
- Player 1 now begins the tale using the two images rolled.
- Next player chooses two dice and continues the tale.
- Continue this play from player to player, continuing the tale with each roll.

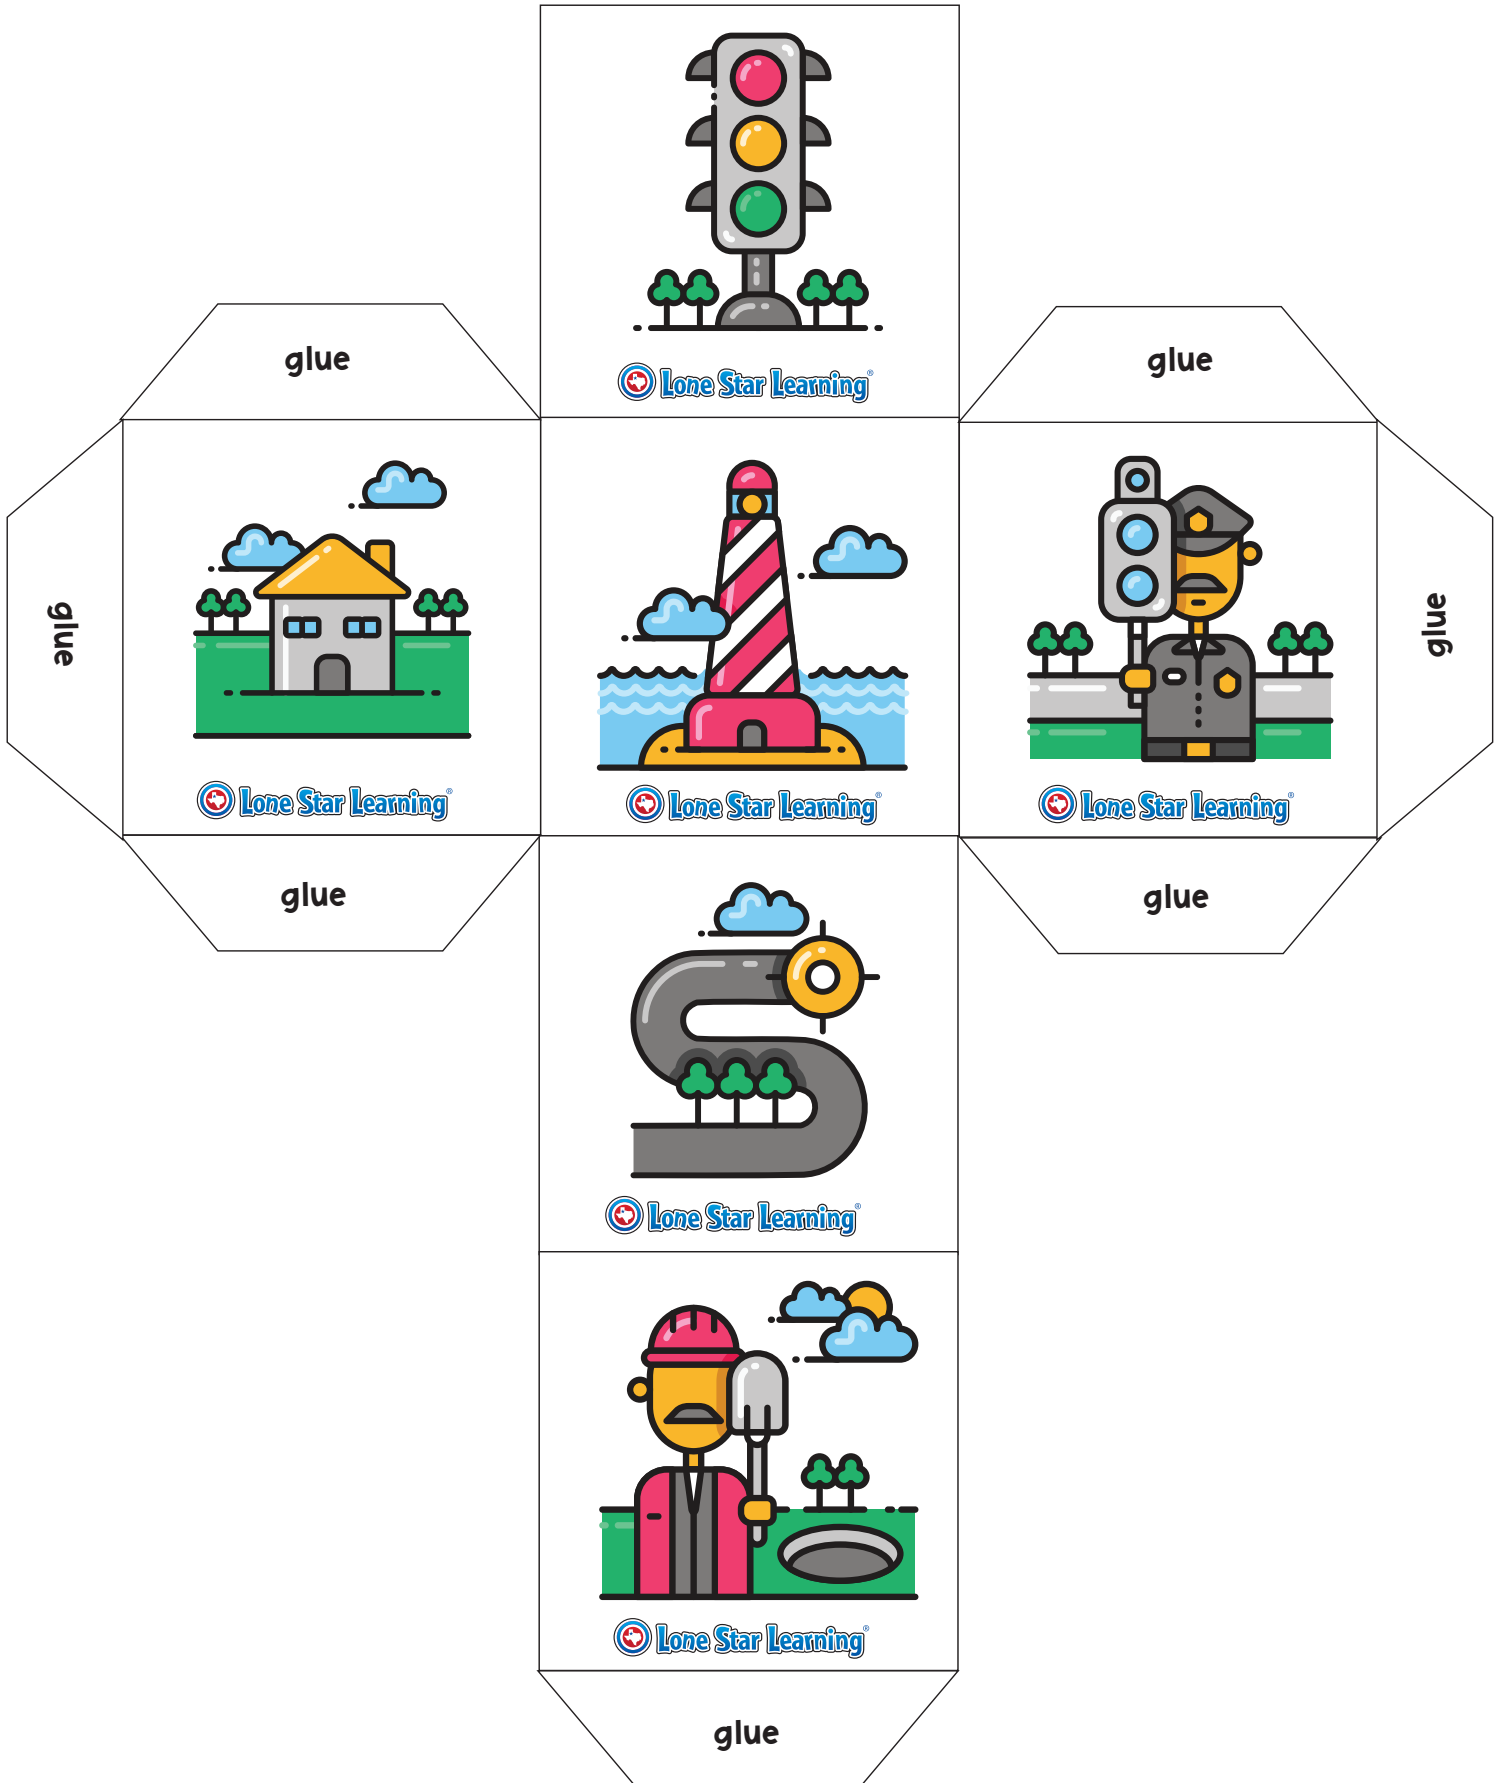

### **Roll & Play:**

**(individual or team play)**

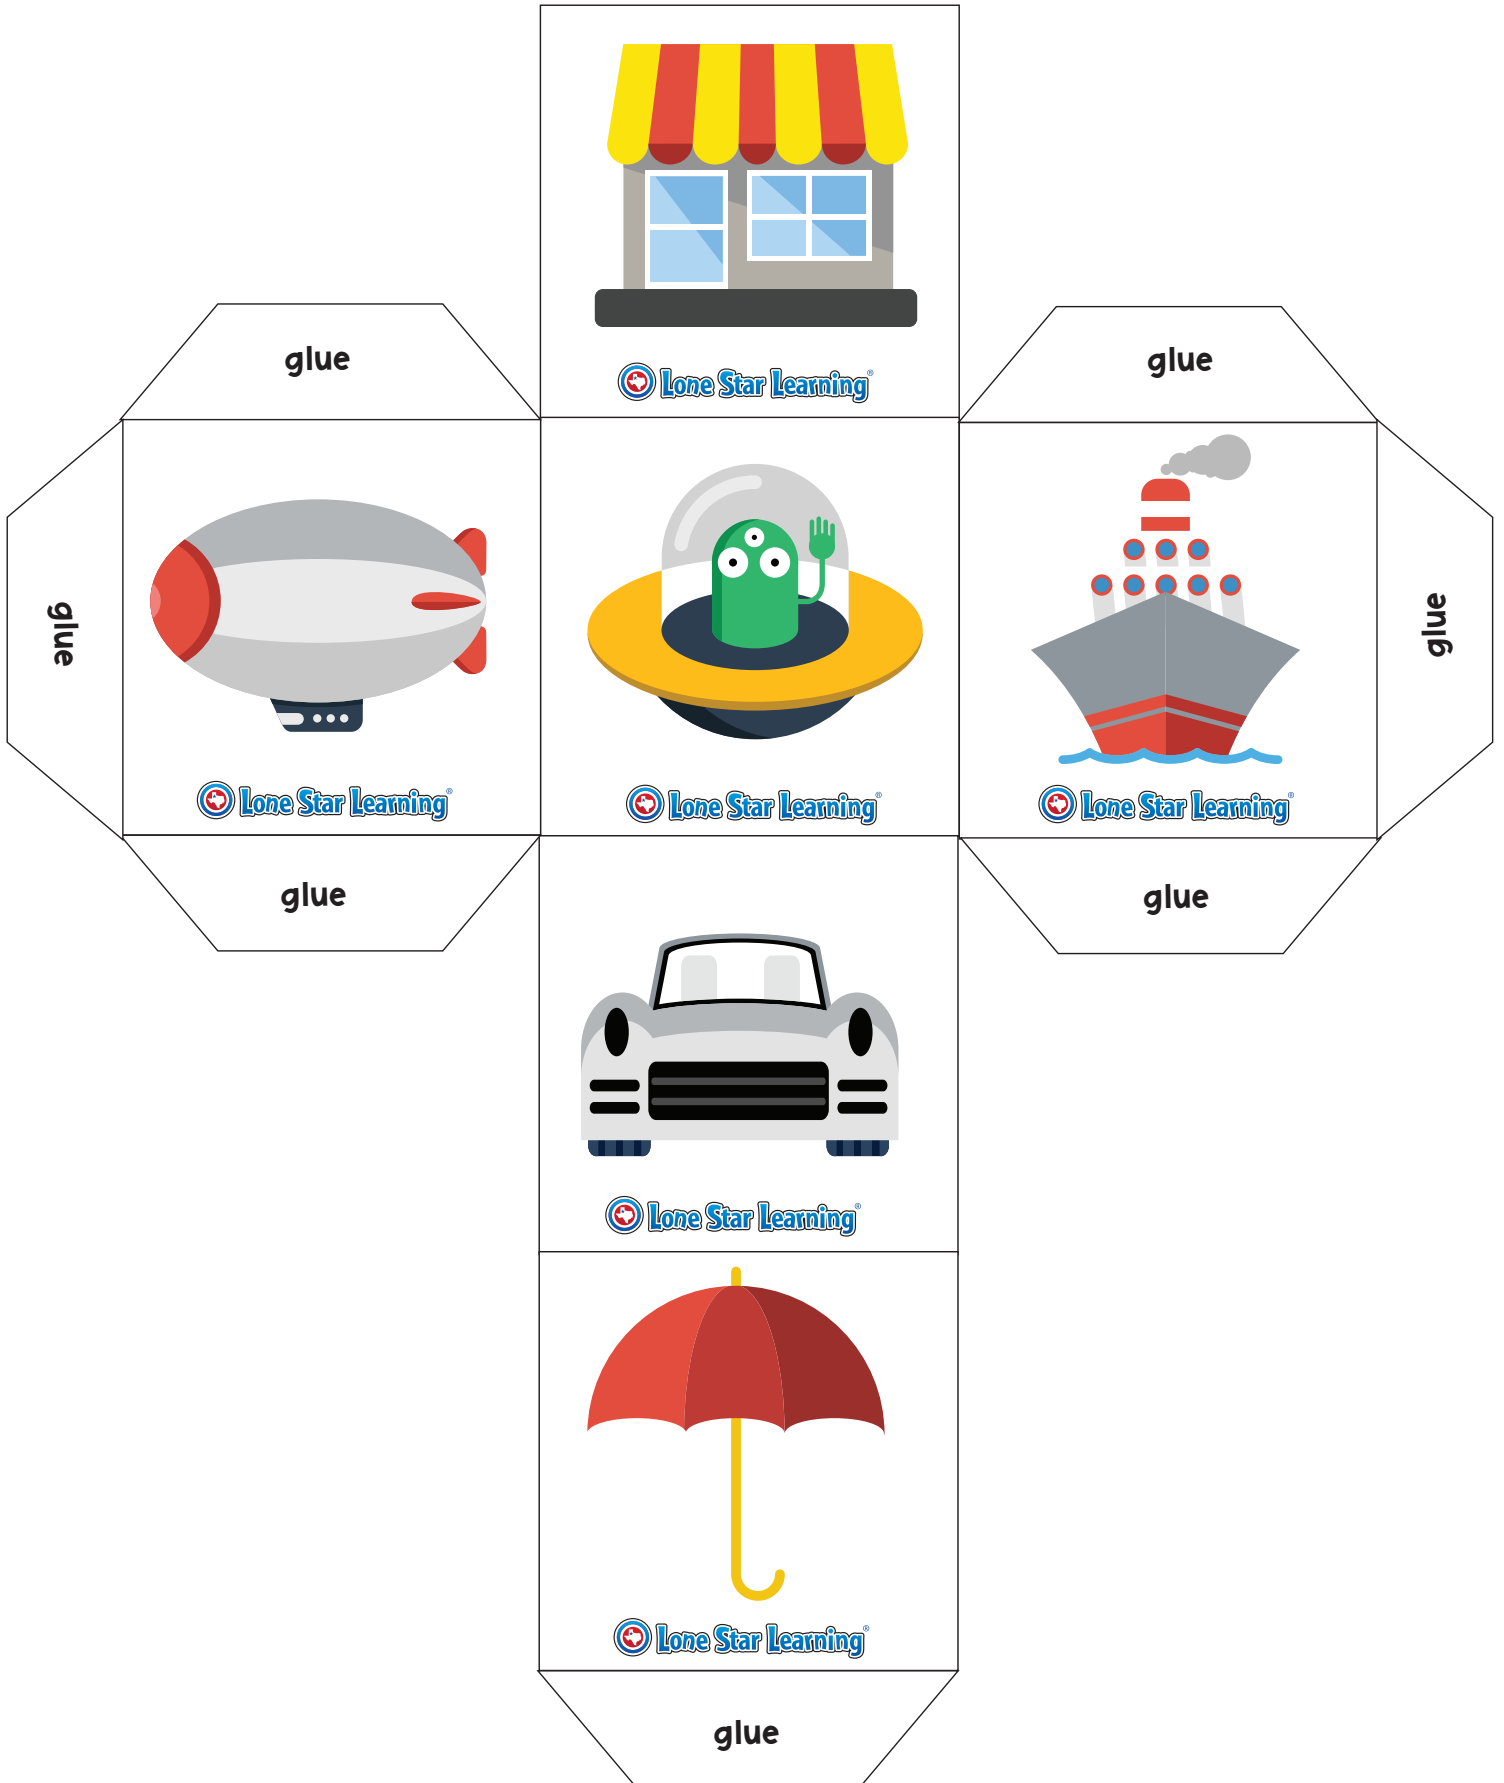

- Roll all six dice.
- Player or players will use the 6 images to come up with a story and then act it out! Video and enjoy!

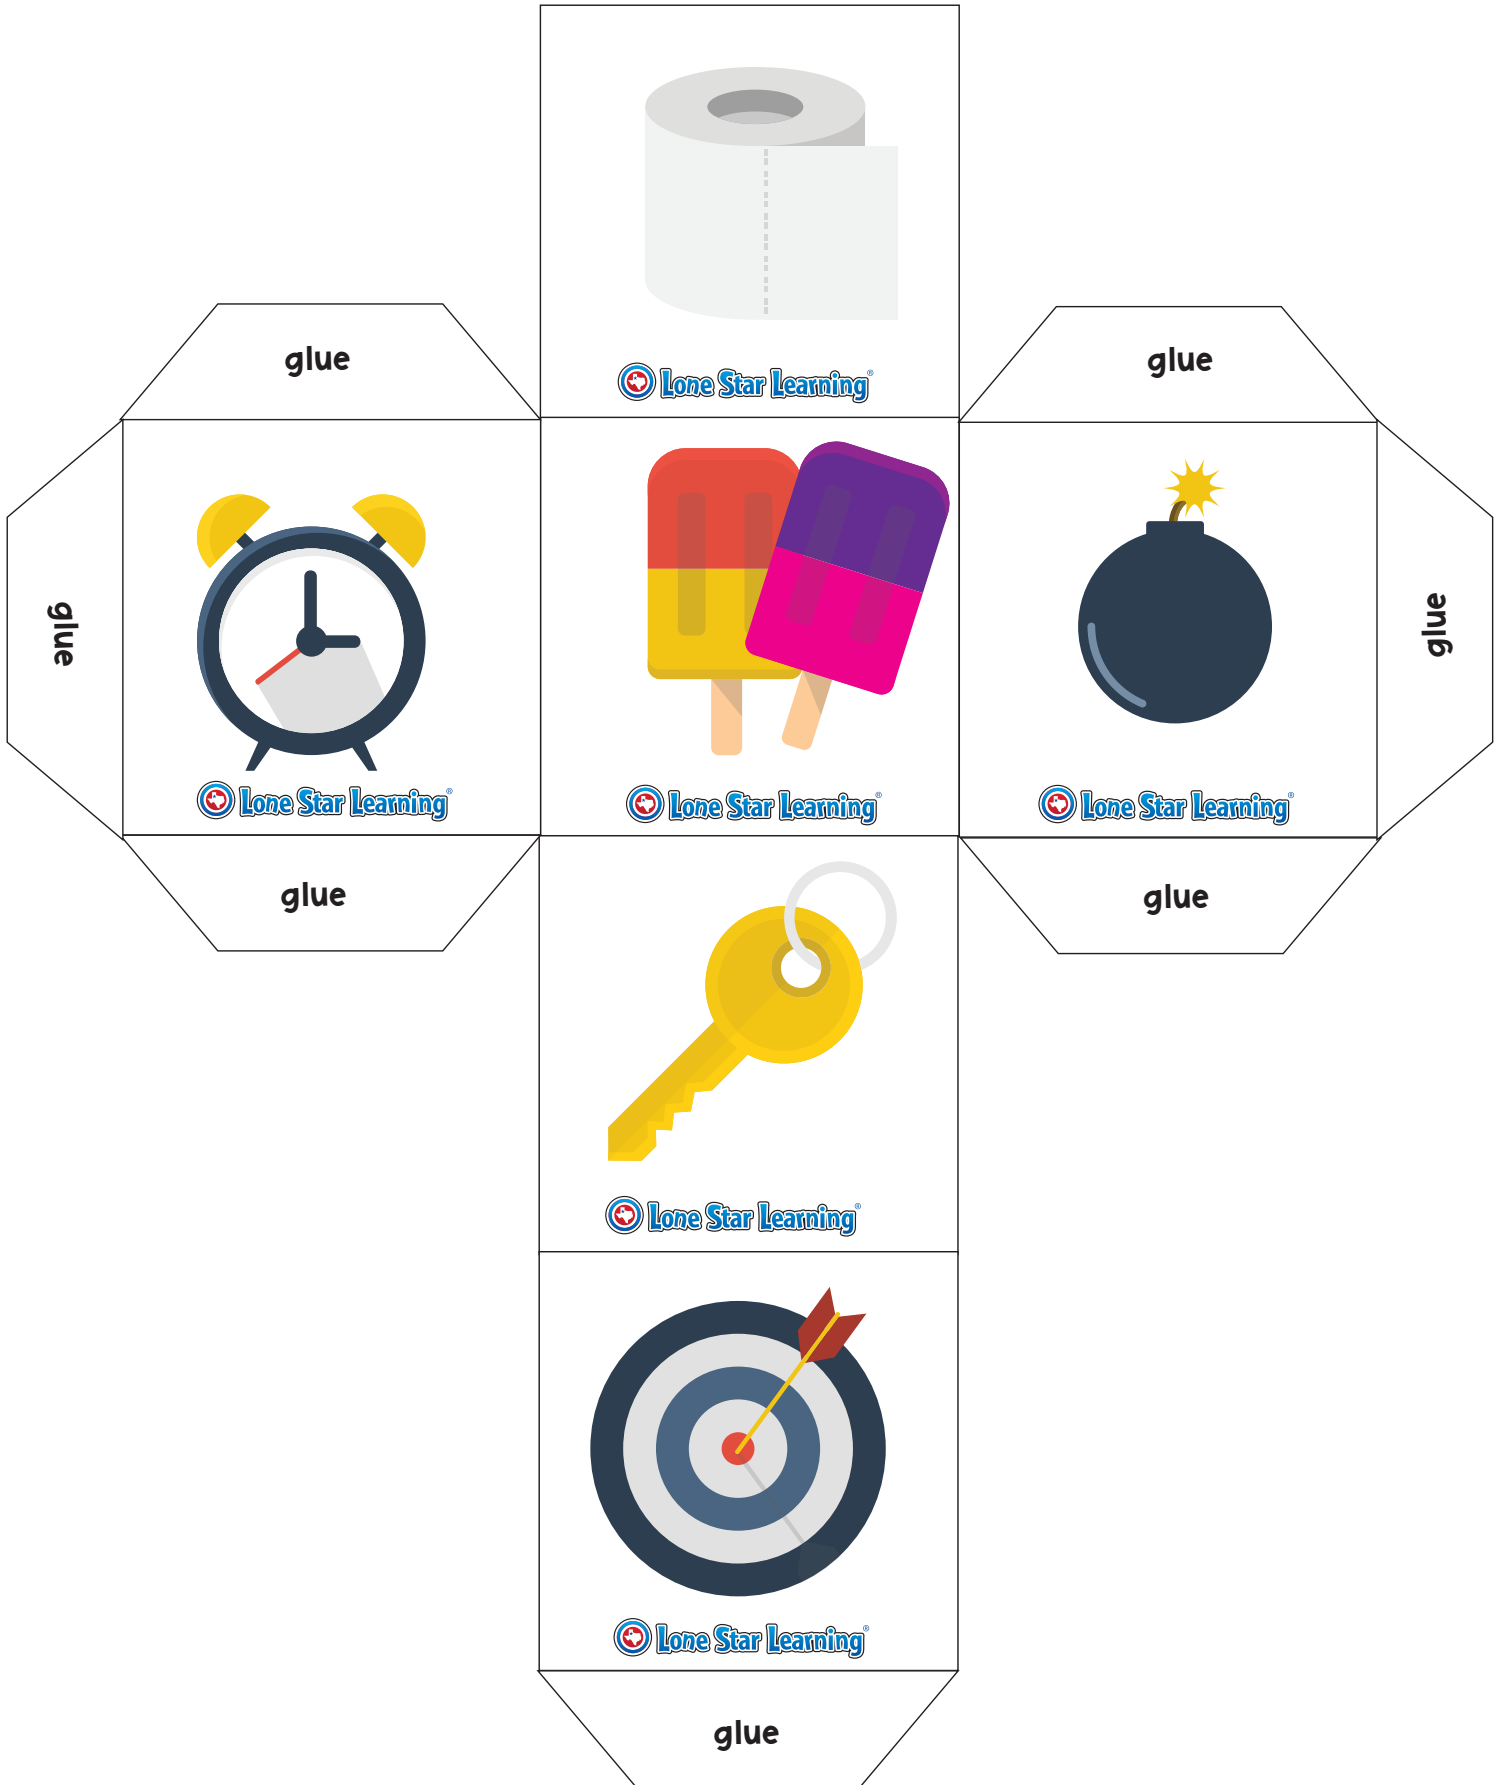

**Allowing students the opportunity to record/video  
is a great addition to any of these activities!**
