Lone Star Learning Customer:

Lone Star Learning is the sole source for all educational materials written, published and copyrighted by Lone Star Learning Sales & Marketing, Inc. and Lone Star Learning, Ltd. with the exception of Get the Picture!® Homophones (H1, H2, H3), and Get the Picture!® Antonym Cards (PA1, IA1), which were created by Lone Star Learning but are also sold by Didax, Inc. Copyright documentation is attached.

We have reviewed Texas Education Code Subchapter B, Sec.44.031:

- (j) Without complying with Subsection (a), the board of trustees of a school district may purchase an item that is available from only one source, including:
 - (i) an item for which competition is precluded because of the existence of a patent, copyright and secret process, or monopoly;
 - (ii) a film, manuscript, or book;
 - (iii) a utility service, including electricity, gas, or water; and
 - (iv) a captive replacement part of component for equipment

We have carefully reviewed the Texas Education Code Subchapter B., Sec. 44.031 and hereby certify that we meet and comply with the Sections subsections (j) on and two, because Lone Star Learning holds existing copyright on materials created by Lone Star Learning, Ltd.

We recognize that the interpretation of "sole source" may vary.

Thank you,

Cindy Webb, Owner
