

Target RLA™

This poster is designed to remind teachers about the importance of incorporating Target RLA into their daily routines.

Target RLA provides consistent practice with essential reading and language arts skills, ensuring students build a strong foundation in comprehension, grammar, and critical thinking. Daily use reinforces these key skills through engaging and effective practice, helping students grow their confidence and proficiency. By making Target RLA a part of everyday instruction, teachers can support student success in mastering TEKS and excelling in reading and writing. This poster is intended to help foster accountability and encourage teachers to make Target RLA a non-negotiable part of their instruction, leading to measurable student growth.

*Designed to print on legal sized paper.
