Pets Are Fun

1 I love having a pet! My dog provides me with hours of fun. We play ball and wrestle around on the ground almost every day. When I come home from school, he's there to greet me with a wagging tail, a friendly bark, and unconditional love. I can tell him all my troubles and deep dark secrets, and he will listen and not judge me. He's happy to see me no matter what.

2 I feel safe when he's around. My dog keeps me company until my parents get home. I know he will protect me from danger because he barks and growls whenever he thinks I might be in trouble. He also barks whenever a stranger gets too close to me.

3 My dog is very obedient. He comes when I call, and he stays when I tell him to stay. Whenever I take him for a walk, he stays close by and doesn't run away. He is smart, too. He can do the tricks that I've taught him when I want him to show off. I guess you can tell that my dog is one of my very best friends!
